## About us

The Tendring Shuttle is a partnership between Harwich Connexions Transport and Tendring Community Transport with support from The National Lottery Community Fund, North East Essex CCG and Realising Ambitions Fund who carefully monitor our activities, performance and the welfare of our passengers.

The Tendring Shuttle is free for holders of a valid bus pass. However, if you do not hold a valid local authority bus pass then a fare will be charged.

Our service can be used for shopping, medical appointments, social outings, visiting friends, education, work, sport and any other activity that helps connect and bring our community together. Our tailor made transport service comes complete with tail lift and therefore is ideal for helping those who feel isolated by everyday transport, who may not be able to get on board a regular bus. Our drivers are trained to assist any wheelchair passenger if needed and have a duty of care to drive you with safety to your appointments and social events.

Supported by

## Areas Covered

The partnership between Tendring Community Transport and Harwich Connexions enables us to cover the entire Tendring area. Listed to the right are key locations we visit.

## Important Info

When you book your seat please tell us if you use a wheelchair, walking frame or require the passenger tail lift.

It is important that you give us as much notice as possible. We expect The Tendring Shuttle to be a very popular service and you may not always obtain your preferred booking, however we will always try to offer an alternative date and time, it helps everyone if you are prepared to be flexible.
